Safe harbor statement: In this Safe harbor statement, “the Company” and “Fresenius Medical Care” refer to Fresenius Medical Care AG & Co. KGaA, a German partnership limited by shares, prior to its conversion of legal form, and to Fresenius Medical Care AG, a German stock corporation, after its conversion of legal form. This presentation includes certain forward-looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, and Section 21E of the U.S. Securities Act of 1934, as amended. Forward-looking statements are inherently subject to risks and uncertainties, many of which cannot be predicted with accuracy or might not even be anticipated. The Company has based these forward-looking statements on current estimates and assumptions which we believe are reasonable and which are made to the best of our knowledge. Actual results could differ materially from those included in the forward-looking statements due to various risk factors and uncertainties, including changes in business, economic or competitive conditions, changes in reimbursement, regulatory compliance issues, regulatory reforms, foreign exchange rate fluctuations, uncertainties in litigation or investigative proceedings, cyber security issues and the availability of financing. Given these uncertainties, readers should not put undue reliance on any forward-looking statements. These and other risks and uncertainties are discussed in detail in the Company’s Annual Report on Form 20-F under the headings “Forward-Looking Statements” and “Risk Factors” and under the headings in that report referred to therein, and in the Company’s other reports filed with the Securities and Exchange Commission (SEC) and the Frankfurt Stock Exchange (Frankfurter Wertpapierbörse).

Forward-looking statements represent estimates and assumptions only as of the date that they were made. The information contained in this presentation is subject to change without notice and the company does not undertake any duty to update the forward-looking statements, and the estimates and assumptions associated with them, except to the extent required by applicable law and regulations.

If not mentioned differently the term net income refers to the net income attributable to the shareholders of Fresenius Medical Care. Amounts are in Euro if not mentioned otherwise.

Implementation of measures as presented herein may be subject to information and consultation procedures with works councils and other employee representative bodies, as per local laws and practice. Consultation procedures may lead to changes on proposed measures.
