Statement Regarding Cybersecurity Incident

Fresenius Medical Care is investigating a cybersecurity incident involving unauthorized access to a limited number of internal systems. The incident has not impacted our medical devices, patient care, manufacturing operations, or business continuity.

Upon discovery, we immediately took steps to contain and address the situation. We have engaged leading cybersecurity experts and notified law enforcement as part of our response.

We will comply with all applicable legal and regulatory obligations as our investigation progresses. Protecting the security of our systems and the privacy of those who depend on us remains a top priority.
