Fresenius Medical Care Danmark A/S ("FME")**

<p>§ 1 Applicability of the General Terms of Purchase</p> <ol style="list-style-type: none"> These General Terms of Purchase of FME apply exclusively to any and all provision of goods, services and works by Supplier to FME. FME does not accept any contradicting terms or terms deviating from these General Terms of Purchase or other limitations of Supplier, unless expressly agreed in writing by FME. These General Terms of Purchase also apply to all future transactions with Supplier, even if their applicability has not again been expressly agreed. These General Terms of Purchase also apply exclusively if FME accepts delivery or pays for the goods, services or works delivered by Supplier without reservation albeit being aware of contradicting or deviating terms of Supplier. In case of a discrepancy between these General Terms of Purchase and deviating terms of FME comprised in other documents, these General Terms of Purchase shall prevail.
<p>§ 2 Orders: Offer and Conclusion of Contract</p> <ol style="list-style-type: none"> Orders must be in writing including email to be legally binding. Orders placed orally or by telephone, as well as all ancillary agreements or subsequent amendments shall only be binding if and to the extent they are confirmed in writing by FME. The Supplier must include the FME order number and the purchaser(s) in full in all written communication with FME, including delivery notes and invoices. Supplier shall confirm each order of FME. If Supplier does not confirm an order within 3 working days after receipt of the order from FME, FME shall no longer be bound by the order. Supplier's acceptance of an order thereafter shall be deemed a new offer by Supplier, FME reserves the right to accept or reject such offer. Deviations and additions in the confirmation of an order made by Supplier shall not bind FME. § 1(2) shall apply accordingly. Supplier shall review the order without undue delay for noticeable errors, ambiguities, incompleteness and unsuitability of the specifications chosen by FME for the intended use and shall inform FME without undue delay of any necessary modifications or clarifications of the order. Unless explicitly agreed otherwise, Supplier's confirmations, offers and cost estimates shall be free of cost for FME.
<p>§ 3 Prices</p> <ol style="list-style-type: none"> All prices specified in the order shall be in DKK exclusive of VAT, unless explicitly stated otherwise in the order. If not agreed otherwise, the prices specified in the order are fixed prices and include delivery DDP (Delivered Duties Paid – Incoterms 2020) FME including packaging, transport, carriage and insurance. Any additional claim of Supplier, for example because of increases in labour or material costs, technical improvements (provided that they were not made upon explicit request of FME), etc. are excluded. If FME accepts to bear the costs of carriage, Supplier shall provide for the most cost-effective shipping and packaging, and unless otherwise agreed in writing, this shall not affect the place of performance. Collection charges shall be borne by Supplier. Supplier shall take back the packaging at its own expense and shall dispose of it in a lawful, orderly manner.
<p>§ 4 Payment Terms</p> <ol style="list-style-type: none"> Unless otherwise specified in the order, payment will be made by means of payment selected by FME. Unless otherwise agreed in writing, payment shall be made either (i) within 14 days of delivery and receipt of the invoice with 3% discount or (ii) net after 60 days. If the parties agree advance payments by FME, in order to secure FME's claims against Supplier, FME shall be entitled to receive upon request an unconditional, irrevocable and absolute bank guarantee by a credit insurer or financial institution registered in the European Union, waiving the defence of contestability, set-off and the guarantor's defences of advance claim, as well as the right to deposit, with a term until complete fulfilment of the delivery and performance obligations by Supplier. Supplier shall not be entitled to firstly credit payments by FME against older debts or costs and interest. FME shall be entitled to the rights of retention and set-off in accordance with statutory law. Payment shall not be deemed to constitute acceptance by FME of the delivery as being in accordance with the contract. Supplier may set off only those claims which are uncontested or have been determined in a legally binding manner and may only assert a right of retention for such claims, which are uncontested or have been determined in a legally binding manner and which are based on the same contractual relationship. Payments to Supplier by FME will be made by check or wire transfer only. No cash payments will be made for products or services. All payments to Supplier will be made directly, and in the country where Supplier performed the work for which [he/she] is being compensated, or in the country of Supplier's home address.
<p>§ 5 Delivery Dates / Delivery Periods / Penalty/ Partial Delivery / Dangerous Goods / Subcontractors</p> <ol style="list-style-type: none"> Delivery dates set out in the order are binding. The delivery periods commence as of the date of the order. Supplier's reservation of a timely self-supply is excluded. Conditions by which Supplier reserves unreasonably long or insufficiently specified periods for performance are invalid. This also applies to setting of additional grace periods for performance. Supplier shall inform FME promptly in writing of any events occurring or coming to its attention which could lead to a delay in delivery stating the reasons and the expected duration of the delay. In case of delay in delivery, FME shall be entitled to the statutory remedies without restrictions. The unconditional acceptance of the delivery items shall not be deemed to constitute a waiver of these rights by FME. In case of delay in delivery, FME shall furthermore be entitled to claim a contractual penalty of 0.5% of the net price of the order for every full week of delay. The penalty shall be limited to 10% of the net price of the order. Supplier may submit evidence that there has been no or only minor damage and therefore the penalty is unreasonable. FME shall be entitled to the penalty in addition to the right to demand performance. In case FME accepts late delivery, FME is entitled to the penalty even if FME has not reserved this right when accepting the delivery. FME will declare such reservation of rights at the latest with final payment. FME may claim additional damages beyond the penalty. However, the penalty shall be set off against such damage claims. Partial performance or delivery is only permissible with FME's prior written consent. Acceptance of a partial delivery to which FME has not consented, shall not affect FME's rights in respect of the total delivery, even if FME has not expressly reserved these rights on acceptance. Supplier shall always mark, pack and ship its products according to nationally and internationally applicable provisions. The accompanying documents shall show the risk category as well as any further particulars required by the appropriate transport regulations. Sub-contracting by Supplier requires FME's prior written consent. Supplier shall in any event be liable for its subcontractors' acts and omissions as it is liable for its own acts and omissions.
<p>§ 6 Invoicing</p> <ol style="list-style-type: none"> Invoices shall not be enclosed with the delivery. Invoices shall correspond with the designation and sequence of the order. Handwritten additions on original receipts must provide a signature and company stamp, as otherwise no payment can be made for tax reasons. In case the invoice comprises more than one item, the FME order number must always appear. If services are invoiced based on measurement or effort, Supplier shall provide, together with the invoice, all documentation (measurement lists or time sheets confirmed by FME) necessary for proper auditing. Invoices for partial deliveries shall be marked correspondingly. Invoices which do not meet the above listed requirements cannot be processed by FME, and FME is not in default with payment in case of non-payment of invoices that do not comply with the above requirements.

FME reserves the right to inspect the delivery items during production and/or prior to transport at Supplier's site. Such prior inspection does not constitute an acceptance and shall not affect the warranty claims of FME pursuant to § 15. 2. Additional Provision for Print Products <ol style="list-style-type: none"> a. Supplier must send proof for clearance to FME. Supplier shall start printing only upon FME's written imprimatur. Supplier warrants that all delivered products are free from material defects and defects in title and comply with the state of the art of science and technology and the applicable standards, legal provisions and the rules and regulations and guidelines of public authorities and professional associations. Any deviation from the above requires FME's prior written approval. Such approval shall not limit Suppliers' liability for defects. 2. If Supplier has any concerns in respect of the type of execution requested by FME, Supplier shall notify FME thereof in writing without delay. 3. FME shall notify Supplier of obvious defects of the delivered goods without delay, as soon as such defects are detected in the course of the orderly business processes, however no later than 10 working days from the receipt of the delivery. In case of hidden defects FME will notify Supplier in writing at the latest 10 working days from the date of detection of such hidden defects. 4. In case of defects, FME shall be entitled without restriction to all statutory claims and remedies. Generally, FME is entitled to select the manner of subsequent performance. In cases of liability depending upon culpability, however, this only applies if Supplier is at fault. Insofar as the cause of the damage is within the scope of the responsibility of Supplier, Supplier shall bear the burden of proof that it was not at fault. 4. Supplier is obliged to take out adequate insurance coverage against all product liability risks, and to make the insurance policy available to FME for review upon request. If the materials provided by FME are processed or inseparably mixed with other items not belonging to FME, FME shall have the right to co-ownership of the new items in the same proportion as that of the value of the materials provided by FME (purchase price plus value added tax) related to the value of the other materials. In the case the new item of Supplier is to be regarded the main item, the parties hereby agree that Supplier shall transfer proportionate co-ownership to FME.
